Notes 19.5.16 following advice from HALC and Grant Thornton (Abby Wilkins)

For the purposes of audit use the purchase price of the asset without depreciation, not the amount insured.

If an item was gifted then use a nominal £1.

If the purchase price is unknown, use the insured amount but don't change it each year.

Prior to May '16 audit the fixed assets had been erroneously reported as £1 on the audit, corrected by LR 23.5.16 .

Asset Register amended 21.7.16 to include value reported at 31.3.16 for audit to help explanation with Grant Thornton.
